

GDP - Feature #132

Implement read filtering

04/10/2019 10:15 AM - Eric Allman

Status:	New	Start date:	04/10/2019
Priority:	Normal	Due date:

Target version:			
Description			
Read filtering (e.g., for decryption) isn't implemented. It worked in GDPv0, but the change in payload formats was problematic and it never made it back in. This should be fixed.
